***'WE AIM TO BE TESLA OF ELECTRIC COMMERCIAL VEHICLE IN INDIA'***

**Mr. Uday Narang, Chairman, Omega Seiki Mobility**

Omega Seiki Mobility represents speed, agility & capable leadership.

Founded in 2016, and backed by years of capability in creating precision engineering solutions, Omega Seiki Mobility has become synonymous with India's sustainability success. Company's experienced engineers and agile workforce bring data to design, and analytics to automotive - to build the science behind mobility's solutions. OSM aims to be the leader in India's clean energy

ecosystem - electric, solar and renewables.

<b>VISION</b> <i>Be the most agile clean energy company at the cutting-edge of India's sustainability solutions</i>	<b>MISSION</b> <i>We're about smart, agile engineering, driven by data and analytics. We aim to fast-track future mobility, with green energy at our core.</i>
--	---

**OUR VALUES**

 <b>STAY AGILE, FAST FORWARD &amp; INSPIRE INNOVATION</b> At OSM, we want to be nimble, future-focused, data-driven, dream big and drive innovation	 <b>MAKE FUTURE OUR PRESENT</b> We want to drive tomorrow's technology today
 <b>THINK TOTAL TECHNOLOGY</b> Engineering is our passion; engineered architecture is what we build our products on	 <b>DRIVE DATA &amp; SUSTAINABILITY</b> At OSM, data and analytics drive our green energy dream
 <b>CAPABLE &amp; PERFORMANCE-ORIENTED</b> Backed by years of capability, we lead by performance	 <b>BUILD &amp; TRANSFORM</b> OSM is about building disruptive technologies, transforming transportation
 <b>CONNECT EVERY CORNER</b> A solution is half-done if it can't solve the last-mile pain. We aim to connect every corner	 <b>DARE TO DREAM</b> Put design, data & analytics into every piece of clean energy project we put on the road

### **ADM TECHNOLOGIES**

ADM Technologies is a packaging services company, providing full solutions to customers

- ADM Technologies is in the forefront of industrial packaging in India
- We have expertise in design, manufacturing and on-site packaging services
- ADM is the only packaging company in India with complete product range of steel, wood, nail less and plastic containers
- We have now added reusable plastic packaging pallets
- This addresses the need for environment friendly, cost effective solutions for the automotive and consumer durables industries

### **COLD CHAIN, COMMERCIAL AND INDUSTRIAL WAREHOUSE AND INDUSTRIAL PARKS**

### **ANGLIAN INFRASTRUCTURE DEVELOPMENT**

Anglian Infrastructure Development Private Limited ("AIDPL") is the commercial real estate and infrastructure development arm of Anglian Omega. AIDPL is focusing on the city of Vishakhapatnam which is an upcoming growth centre for industrial and warehousing developments in the state of Andhra Pradesh, India.

AIDPL's vision is to build a national grid of plug and play industrial hubs and state-of-the-art warehousing facilities.

## **SPORTS**

### **ANGLIAN MANAGEMENT GROUP**

Anglian Management Group ("AMG") is India's premier sports advisory and management company. AMG provides comprehensive and quality advisory services to top Indian and international sports professionals, teams and sport-related businesses as well as to corporations who wish to support and participate in Indian sports. In addition to helping individuals as well as clubs unlock their marketing potential, AMG works with global and local brands to create unique sporting solutions and properties across India.

### **KHEL NOW**

Khel Now is the World's most exciting Social Platform connecting Sports Fans and Businesses to:

- \* Build Communities (neighbourhood to global) around a shared Passion for Sports
- \* Share relevant crowd-sourced and curated Content amongst all stakeholders
- \* Help Marketers and Brands Target specific Fan and Business segments
- \* And much more

### **ANGLIAN MEDAL-HUNT COMPANY**

Anglian Medal-Hunt Company ("AMHC") supports and nurtures young Indian talent in their quest for medals and successes at various sporting events including Olympic, Asian and Commonwealth Games. AMHC chooses its prospective medal winners through stringent criteria, and facilitates their training, procurement of equipment and international exposure. The athletes are groomed through a selective network of coaches, mentors, physiotherapists and mental conditioners. The young sportspeople are also helped financially by AMHC's corporate alliances or marketing tie-ups that help build brand connect for its most prominent athletes.
